Any account overdue more than 30 days will incur 5% per week interest. Blair Boats has a \$5000 overdue limit at which point no further work will be undertaken. If the vessel is in a work berth, a daily storage fee of \$250 will be applied until the vessel is moved at the owner's expense.

Workshop and tool hireage (including power cords, ladders, hoses, water blasters) is to be arranged in advance. A health and safety induction must be completed before using any tools or entering the workshop.
